Discretionary Powers: A Legal Study of Official Discretion ... - Discretionary powers exercised by administrative and legal authorities are permissive, and not binding. These powers are granted to these officials by statute or delegation.

Discretionary powers do not impose an obligation on a decision-maker to exercise them or to exercise them in a particular manner.

Government Discretion and Accountability: A ... - AIM OF THE STUDY â€“Every power corrupts and absolute power corrupts absolutelyâ€™. â€“There

will be government of law and not of menâ€™.

Discretion is a tool only when properly used; like an axe, it can be a weapon for mayhem or murder. In a government of men and of laws, the portion that is a government of men, like a malignant cancer, often tends to stifle the portion that is a government ...

DISCRETIONARY POWERS & FUNDAMENTAL RIGHTS

A CRITICAL STUDY - It begins by considering how discretionary powers fit into a descriptive account of law.

It then moves to a particular conception of legal authority based around the ideals of the rule of law. This is referred to as the private law model. The chapter shows how discretionary powers depart from this model, and an attempt is made by considering the social background to explain the prevalence of ...

Delegation Of Discretionary Powers

Administrative law, today, is the most litigated and rapidly developing

sub-branch of constitutional law. The growing importance

of administrative law is reflective of the parallel growth of awareness

amongst citizens about the enforcement of their rights against the state machinery.
